PATRON REGISTRATION POLICY

Approved: September 8, 2011

Your library card opens the door to a wealth of information, entertainment, and discovery. A Crook County Library card is free to all Crook County residents or property owners. Residents of Deschutes and Jefferson Counties are also eligible for a CCL card. Below are the requirements to receive a library card. Youth under 18 years old are welcome to get a card once their parent or legal guardian obtains a card and signs the application for the minor's card. A library card allows you to borrow any of the wide variety of materials and to use the Internet. It also gives you access to the special databases available through the library's website 24 hours a day. Your library card contains access to your confidential information online, by phone, or in person. You are responsible for all fines, fees, and materials checked out on your or your child's library card. Your card may not be used by another person. If your card is lost or stolen please contact the library immediately at 541-447-7978 so that we can prevent misuse of your card. A lost card may be replaced for a minimal fee.

Legal guardians need to show court-approved documents of guardianship or other approved form establishing guardianship or authority to act on behalf of the minor.

By filling out the appropriate information and signing the application, the parent or legal guardian is responsible for:

Nonresident Library Cards

Individuals not eligible for a free library card may purchase a library card for either 3 months or 12 months of library service. All members of a nonresident household, listed in the borrower record, may use the card. Nonresident borrowers must present library card for service.

Courtesy Library Cards

A 60-day card is available to provide library access and services to the Crook County homeless population or residents who do not have a permanent address or are in transitional or temporary housing. The card allows checkout of 8 items at any one time, and entitles the user to public computer privileges. To obtain a courtesy card, patrons must provide photo ID:

- US Driver's license (may be expired, but not a photocopy)
- State or US Government-issued ID card
- US Military ID card
- US Passport

At the end of the 60-day period the card will expire. The patron may obtain a regular library card, a nonresident card, or request an extension of the Courtesy Card. Courtesy card borrowers must present library card for service.

Library Card Renewal

Resident library cards need to be renewed every two years. As part of card renewal, the patron must clear all charges and show current photo identification and proof of current home address. Nonresident cards require renewal every 3 or 12 months, payment, and proof of identification and home address.

Fees

Fees for purchase of a library card and replacement are set by the library board of trustees and approved by the Crook County Court and may be changed without separate notification.
