Is the building an Agriculture use or Equine use?

Intended Use (Be specific, please):

Structure SQFT: Structure Height: # of stories:

Will this structure be used by the public at any time? Yes  No

Is the property located in the flood plain? Yes  No

*\*If the structure is placed within the flood plain it does not fall under exemption and will need a structural permit application. A copy of the initial flood elevation will be required at time of submittal. \**

Is the subject building located on a farm and used in the operation of the farm? Yes  No

What is the proposed maximum number of people (including employees, owners, etc.) that will be in the building at any one time?

Will the proposed structure have any of the following? *Separate applications will be required for each of the following if the building has any.*

Electrical - Yes  No  Mechanical - Yes  No  Plumbing - Yes  No

***If the building has electricity, please fill out wiring criteria.***

Check which of the following agricultural or equine building uses apply to your building:

- Storage, maintenance, and repair of farm machinery, equipment, and supplies used on this farm.
- Raising, harvesting, or selling of crops raised on this farm.
- Feeding, breeding, management, and sale of livestock, poultry, furbearing animals, or honeybees on this farm.
- Dairying and sale of dairy products produced on this farm.
- Equine facility: Stabling, training, riding lessons, and clinics.
- Other (please specify)

**WIRING CRITERIA**  
**(MUST BE COMPLETED IF BUILDING WILL HAVE ELECTRICAL)**

Will there be a concrete slab either within or adjacent to the building? Yes  No

Will there be farm animals (poultry excluded) within the building at anytime? Yes  No   
On the slab? Yes  No

Will the building be used for storage of feed, hay, or straw? Yes  No

*\*If the building is used for storing feed, hay, or straw, the electrical wiring must be installed in a dustproof manner. [547.1 (A)]\**

Will the building be used for major repair of motor vehicle equipment? Yes  No

*\* If the building is used for major repairs of motor vehicle equipment, the electrical wiring may have to meet special wiring requirements. (547.3) (Article 500-501)\**

**SIGNATURES**

I understand that if the subject building is converted to nonagricultural use (e.g., garage, home occupancy, etc.) I must obtain a building permit before the conversion. Failure to obtain appropriate permits may result in action to enforce the applicable building codes for such structure and use. I understand that a post-occupancy inspection may be made to ensure continuing compliance with the agriculture-building requirements.
