WORK SESSION

The meeting was **called to order at 9:00 a.m.**

Agenda Item #1, Road Department Projects: Road Master Bob O'Neal received a request from a private citizen asking the County to chip seal a non-County maintained road, at the expense of the private property owners. The State of Oregon has rules and regulations the County must adhere to regarding road maintenance, these rules make it, so the County is unable to chip seal a non-maintained road. Mr. O'Neal contacted Knife River and High Dessert Paving, both stated they would provide a quote for chip seal. The private property owners may work through the process of making the road private.

At 9:36 a.m. the Court read into Executive Session under the following statute(s): ORS 192.660(2)(f) To consider information or records that are exempt by law from public inspection.

EXECUTIVE SESSION

At the conclusion of the Executive Session, the County Court convened back into Open Session, inviting members of the public into the meeting room.

MOTION to direct staff to proceed as recommended in the executive session. Motion seconded. No further discussion. Motion carried 3-0. There being no further business before the Court, the meeting was **adjourned at 9:44 a.m.**

Respectfully submitted,

Amy Albert
