Re: Record No. 217-25-000293 (proposed telecommunications facility)

Dear Crook County Planning Department,

The undersigned is writing to provide objections to the land use application under Record No. 217-25-

000293 (proposed telecommunications facility).

In particular, in support of his/her objections that the applicant for the proposed facility has failed to meet

the Crook County Code requirement 18.16.015(15) that proposed facility is necessary for public service,

the undersigned confirms that his/her cell phone coverage is adequate. I live on Williams Rd, the exact place Verizon claims there is a need to improve coverage. My phone works great now.
